COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, SEPTEMBER 12, 2000

COMMONWEALTH OF VIRGINIA, ex rel.

STATE CORPORATION COMMISSION

CASE NO. PUE990786

Ex Parte: In the matter concerning
Rules implementing the State
Corporation Commission's authority
to enforce the Underground Utility
Damage Prevention Act

AMENDING ORDER

On September 5, 2000, the Commission entered an Order that, among other things, set a public hearing for October 23, 2000, at 2:00 p.m. in the Commission's second floor courtroom located in the Tyler Building, 1300 East Main Street, Richmond, Virginia. The purpose of this hearing is to receive evidence relevant to the Rules proposed in Appendix 1 of the Commission's June 14, 2000, Order Prescribing Notice and Inviting Comments. Line 10 of Ordering Paragraph (6) appearing on page 6 of the September 5, 2000, Order Setting Hearing contained an erroneous reference to the time by which any person must identify himself to the Commission's Bailiff as a public witness. The time should be 1:45 p.m. on the day of the hearing, October 23, 2000, rather than 9:45 a.m. All other directives set out in the September 5, 2000, Order should remain in effect.

UPON consideration of the foregoing, the Commission is of the opinion and finds that Ordering Paragraph (6) should be revised in pertinent part as follows:

Any person desiring to make a statement at the public hearing concerning the proposed Rules need only appear in the Commission's second floor courtroom at 1:45 p.m. on the day of the hearing and identify himself or herself to the Bailiff as a public witness.

Accordingly, IT IS ORDERED THAT Ordering Paragraph (6) shall be revised as indicated above and that the remaining directives set out in the September 5, 2000, Order Setting Hearing shall remain in effect.
